

TechKleen FT170 Low Foam Cleaner

Low Foam

DESCRIPTION:

TechKleen FT170 is a versatile, highly concentrated, hard-water stable, multi-purpose, mildly alkaline cleaner. The product's unique formulation can be diluted to desired concentration in water to clean a myriad of soils and surfaces such as steel, aluminum, brick, ceramic tile and wood flooring.

TechKleen FT170 is extremely low-foaming to non-foaming, making it the recommended product for high pressure and spray systems.
