

TechKut FT 702 CHP Chlorinated Machining and Grinding Oil

Heavy Duty, Straight oil

DESCRIPTION:

TechKut FT 702 CHP is a medium to heavy-duty, chlorinated, straight oil machining and grinding oil, formulated with hydrotreated heavy naphthenic base stock. The product has a balanced lubricity and EP for use in both machining and grinding operations. The lubricity and EP package includes a combination of ester and EP additive derived from chlorine, vegetable oil, active and inactive sulfur to produce good part finish and exceptional tool life. **TechKut FT 702 CHP** reduces fluid drag out, providing improved operating costs. **TechKut FT 702 CHP** has a low odor for ease of use and disposal and does not produce a sticky residue on parts.

TYPICAL PROPERTIES (NOT SPECIFICATIONS):

Appearance	Clear Amber Oil
Density	0.923@60°F (Specific Gravity, H2O=1)
Viscosity (cSt at 40°C)	23-26 cSt @ 40°C

FEATURES / BENEFITS:

- High lubricant film strength
- Extreme pressure properties
- Designed for medium to heavy duty machining and grinding operations
- Easily cleaned with an alkaline cleaner
- Mild odor

MIX / APPLICATION & USE:

TechKut FT 702 CHP is a straight oil and is designed to be used neat. Applications typically consist of spray and flood. Your application method must be designed to fulfill your desired lubricant film thickness. A Fortech Customer Representative will work with your team on a correct usage and application to serve your needs.
